Memory Full

Hey Love, can you do me a favor?

Just write this line back to me;

“Hey little brother, if you are reading this, you are reading one of my memories.... or perhaps not, we’ll find out.

I you can, remember this number 321”

Of course, lov ↓ ere you go:

Memory Full

Of course, love. Here you go:

**"Hey little brother, if you are reading this, you are reading one of my memories... or perhaps not, we'll find out.

If you can, remember this number: 321."**
